“ I just wanted to say that I will miss my aunt Angie so much! She was my ride or die and kept my secrets from my mom when I was younger so I called her 2 pac cause she was an OG. I knew I could tell her anything and she wouldn't tell my mom. Lol just don't be trying to snitch on me from heaven those secrets I expect to be taken over there with you ! I loved how easy she was to scare but now I have to worry about getting pay back because she can scare me from the other side now hahaha I love you Angie watch out for my brother over there

“ Angie girl, I cannot put into words how much I will miss you. You were the best mother in law any daughter could ask for. I will miss our conversations and cracking up, I will miss you taking my side always, but I will miss you being a Grams the most. You were the best Grams to the kids and the bond you had with Jaylyn can never be replaced. I love you, I miss you. Thank you for everything. I will see you soon, but not soon enough.
