“ I have such great memories of Chuck (and Jean) from years at Asbury UM church and at Cumberland UM church. I was fortunate enough to spend time square dancing with them. Chuck was always so much fun and loved him dearly. So sorry for your loss.

“ Chuck was a wonderful man and friend. My Grandpa, Dick Lyke, and him were friends for many many years and I always remember Chuck being there to lend a helping hand to our family. Growing up I could always count on a hug from him whenever I'd see him and I would always ask if he had caught any fish that week. He will be greatly missed!

“ I will always remember Chuck fishing off the bridge by my house. Dad and him were always doing something together when they retired.

“ I was Charlie's apprentice in the early '70's . He taught me a lot on the electrical industry. He had many quotes & humorous stories. May he rest in peace . I also wish the family & friends God's peace that passes all understanding . He was truly one of a kind.

May God bless you all ,
