“ Jill,

I was so sad to hear that David passed away; I had no idea that he'd been sick. His friendship was really important to me. He was a great attorney, and an even better man. My thoughts and prayers are with you and your family.

“ To the Family,

I only knew him briefly, and for too short a while (years ago, re: employee benefits) - but he made quite an impact upon me. His honesty, integrity, and professionalism really stood-out, and impressed me. In addition, he was such a nice guy !

I liked him then -- and I'm sure you all feel the sense of profound loss that all his friends, family, and past & recent associates, feel now.

My most sincere condolences.

“ Jill,

I was sorry to see that David had passed away. A fond memory was when you both sold the Grimlen to mom and he taught me how to drive a stick shift. Time sure does pass by. Bunnie and I have been married for 33 years. We have 3 children and 3 grandchildren. Just had our third a month ago. Mom has lived with us for the past 20 years. She is 81. She has been on dialysis the past 5 years. Continues to do fairly well. Know that I am keeping you and your family in my prayers. Sincerely, Ted Eads

“ Jill and Family,
I'm so sorry to hear of Dave's passing. I worked with him at Stewart Title. He was a friend beside being a co-worker as well. He would share his love for his wife, awesome hobbies that they had, Ireland, Michigan and of course "BACON". Jill he loved the "BACON" Birthday Card, we had a great laugh on that one. He will be greatly missed!

Sincerely,
Jennifer Sampson

“ Taking care of Mr. Walsh at IU North was an honor. It was obvious that he was a man of great dignity and respect. I will always, always carry him in my heart. As a PCA, his family was the first family I ever felt attachment to. They are so genuine and pure in heart. I'm daily sending love to his family during this time. Xo Kristi A., IU North, PCA

“ Jill, Bridget and family,

I have known Dave for more years than I can remember. As you know and anyone else who every came in contact with him knows what a genuine, kind, caring and brilliant person he was. I am so saddened by this news. i know that Ireland was one his favorite places to visit and he told wonderful stories about Jill and him traveling across that country. As he could take you there with his words and draw the picture in your mind.

As a title guy he was one of the best! As an Real Estate Attorney he was one of the best: As a co-worker he was a team player with compassion to help people learn. As a friend he was he was THERE!

Jill and Bridget and family, you are in my prayers. Rest in Peace my friend you are missed.
