“ Sending caring thoughts to Marsha and all the family, as you honor the love and long wonderful life of Gladys. I met her at Dee’s when she came with Marsha to visit. I liked her instantly and was so impressed with her charm, intelligence, and wit. May your memories bring peace and comfort.

“ Gladys and Marsha, Mom and I went to the L. S. Ayers Tea Room and shared a lovely lunch and many stories that centered over family and friends who were loved and lost over the years.

I was and still am so very grateful for and proud of Gladys and my mother...representing “The Greatest Generation.”

Gladys was the life of the party whether delicately holding a tea cup or balancing a bottle of beer on a life ring in the middle of her favorite swimming pool.

I will forever feel the love and gratitude Gladys generated at family gatherings and how much she will always mean to all who were blessed to celebrate Life with her.
With Sincere Love, Dee

“ I am so sorry to hear of Gladys's passing. Fred, Lori and family, you are in my thoughts and prayers. May the Lord comfort and bless you during this difficult time. I loved working with your mom at Lutherwood. She was such a gem! We joked with her that we all knew who really ran that agency and that it was her! What a blessing she was to all who knew and loved her at Lutherwood. She always helped with whatever we needed and had a great sense of humor and a kind and loving heart. She certainly loved her Lord and was a woman of faith. I hope knowing she is resting eternally with Our Lord and your dad will make your grief bearable and give you a sense of peace. May all of your wonderful memories comfort you and give you strength during this challenging time. She sure had a wonderful family and a long and happy life. Bless her and bless all of you. I wish I could attend on Friday, but I am still working, not yet retired, and I am unable to take off work on Friday. Please know that you will all be in my thoughts and prayers on Friday and beyond. I know how much she loved her family and being a mother, grandmother and great grandmother. It was truly my honor and privilege to know and to love your mom. May she rest in peace in the loving arms of Our Lord with your dad lovingly by her side.

Love you all.

“ To the whole Allgood clan, You are all in my prayers. I loved Gladys and always told her she was my second mama . I enjoyed working with her at Lutherwood and talking and visiting with her throughout the years. I will miss her! I can only imagine her homecoming and her joy to be reunited with your dad. Unfortunately, I will be out of town on Friday for my son's wedding. Praying that our Lord wraps you all in his comfort and peace during this difficult time. Much love to you all, Kay Christensen
