“ The news of a beautiful little girl born 58 years ago was the most wonderful thing that could happen. As a teenage girl, I was so excited at the news of having a new baby niece . Problem was that she was so far away in a different country, Germany We had to wait for a very long time to actually meet her. But, when were able to see her beautiful little face, we were not disappointed. My brother, her dad loved her with all his heart until the day he left this earth. She never disappointed him. Thank you Ramona for being such a loving daughter to my brother. You made a difference in his life.

“ My first memories of Ramona go back 37 years, she was a joy to be with and work with. Family was always the most important part of her life. She is with our savior in paradise. Gods blessings.

“ Ramona was my cousin, and one of the sweetest, kindest, non-judgmental, most loving persons I have ever known. Such a tremendous loss to all of us left behind, but Heaven gained another precious Angel. My heart aches and breaks for all of her family and friends.

Anna Umfleet - January 24 at 10:23 AM

“ I knew Ramona as a Sweet Little Princess , to become the Royal Lady ... consistent in her friendship . Even with distance of years , Miles , quality not quantity ...am struggling to express my sense of loss . My heart goes out to her children losing their great Mother who loved them , with order , Influence to do well. My last catch -up chat at Afton’s wedding reception was priceless . Words not coming to say to her husband Scott , Mother Linda , Aunt Winona how sorry for their loss . The old hymn “ Precious Memories “ provide Comfort ..in the stillness of the midnights , how they linger , flood the soul ...Precious indeed .

James Hedrick - January 22 at 02:40 PM
