Robert Steven "Steve" Belding, 74, of Indianapolis, passed away May 17, 2021. He was born February 3, 1947 in Indianapolis to the late Robert Vernon and Tommie Frances Belding. Steve was a graduate of Arsenal Tech High School, where he was student body president and a member of the Techoir and the Boy's Octet. He received his Bachelor's Degree in Mathematics from Purdue University and attended Butler University while working on his MBA. He married Linda Sue Smith on June 8, 1968, and started teaching math and coaching baseball at Lawrence Central High School. In 1973, he started working for National Insurance Association in Governmental Affairs, retiring in 2000. He then worked for Christian Church Services for the Christian Church (Disciples of Christ) for 11 years. After his second retirement, he volunteered regularly at Indian Lake Country Club in the pro shop.

Steve was a former member of Centenary Christian Church, where his grandmother was a founding member. He was a 40-year member of Allisonville Christian Church where he served in many leadership positions. He was a Sunday school teacher, a member of the choir and Arts program, and the church's unofficial Visitor Greeter. His smile and infectious attitude welcomed many people to the church. Steve was also a longtime Commissioner of Allisonville Pee Wee Baseball League and a reliable server at church events. He went on mission and work trips, played on the church softball team, and was a constant presence on building and planning committees. He enjoyed golf, tennis, and lounge chairs next to a pool, but most importantly he loved being the #1 fan at his grandchildren's sporting and school events.

Steve is survived by his loving wife Linda Belding; daughter Shari Jacobs and son-in-law Ted Jacobs, son Brent Belding and daughter-in-law Amanda Belding; grandchildren, Rachael Jacobs, Kara Jacobs, Griffin Belding, Gray Belding, and Ashby Belding; sister Anita Holder and brother-in-law Roger Holder. “ As a new teacher to Lawrence Central. High School, Steve was one of the first people I met. He was courteous and helpful with lots of information. He will be sorely missed!

My prayers are with the family during these trying times.

“ I met Steve in the Fall of 1964, when I became the organist at Centenary Christian Church and he was still in the Youth Choir. Then, when he married Linda, my husband and I became good friends with both of them. They were always the most loving couple and parents you'd find on earth. May God comfort his family through their grief, and take Steve's soul to be with Him forever.

“ John and I are so sorry to hear the news of Steve's passing. We have many memories of Steve and his welcoming smile. Our little girl had a sweet nickname when we were neighbors, "Sugar". Our lives are better for having known Steve and we learned from his wonderful example of how to be a good neighbor. Condolences from John and Mary Lou Gennett

“ Our friendship goes back to the early 1950s as we attended IPS Anna Pearl Hamilton School #77 on the east side of Indianapolis. I was a guest in his parents' home on numerous occasions and played sports with Steve during those elementary school years. A large part of our early connection was the fact that we were born just two days apart. My family's deepest condolences and prayers go to Steve's family and to Anita and Roger.

“ I was saddened to hear of Steven's death and offer my sympathy to his family. His family and mine have a history together. Steve's grandparents lived across the street from my family and my grandparents and his were founding members of Centenary Christian Church. His mother lived with Beldings when his father was in the service during WWII, and we were so glad when he came home safe, joined my father on the faculty at Tech and later became a vice principal as my Dad had been. I remember Steve and Anita as toddlers when I was a teenager. I still have a little kitchen utensil that was a special gift from Anita when I was married. From reading his obituary, I can tell that he was a wonderful man, which is no surprise knowing his background.
