“ Always the memory of Fritz visiting my dad when ill. These two hunting buddies were engaged with good times in Missouri, which will put a smile on my face in remembrance.

“ Have to share this as Fritz always liked to chide me: Freshman at ISU, my dad had a camper and made a visit with Fritz, and wives looking forward to a "promised" campus visit to see Larry Bird play basketball. Of course as an "unreliable freshman" I failed to get the tickets, which over the years heard about deservedly and relentlessly.

“ Deepest sympathy for the loss of you father /grand-father. I was his oldest friend as my grandmother lived directly across 10th street from "the Matzkes. He was my first playmate, and schoolmate sharing elementary, thru Warren Central and band. Fritz had my mother, Naomi Snider for the fourth grade. Wonderful memories of a wonderful family!
