“ I had the deep privelege of knowing Meg Seymour. My late mom Betty Cheaney was her nurse at Greenwood Family Practice. I knew Meg's late mom Esther who lived to be 101. Meg was the most optimistic person I knew. Maybe it was because she was an Occupational Therapist in the Mental Health Field for over 40 years. She lived her years to the fullest. I will deeply miss her! I had the privelege to spend 2 hours with her on July 24 with my sister and her family. We did not know it would be Meg's last visit with us on earth. She called us her chosen family. She was our chosen family too.
