“ It probably means nothing to anyone who does not remember the time I broke a ping-pong paddle while playing Alan. He never forgot it. But Alan was one of the most wonderful men I have ever known and he never let me down when it came to advice, love and kindness.

I wish I could have seen him again here on earth but I do know that when I get to heaven we will have time together to worship our savior; he loved Jesus very much and cared so much for others. He lived Matthew 25; he served the least of those. Charlotte, Mike and Lana, I understand your grief. I miss my mom and dad very much but know that the Marriage supper of the Lamb with all of us will be so wonderful, more than words or thoughts could ever imagine. What a great man, what a friend. My love to all of you and my prayers to you as well.

“ Charlotte, I was so sorry to read of Alan's passing. I didn't know him well, but you, Mike and Lana were very dear to me It was such a treat to work with you at Grassy Creek. I planned on coming to visit with you, and give you a big hug, but found out I needed to go with my husband to a doctor's appointment this morning. So, consider yourself hugged.
