“ Alex was such a great person. I was so sad to hear of his passing. I didn't know him very well but he and I had a great long talk one day in the Nature's Table lobby. When he heard of all my medical issues, he gave me ice cream. Nobody had ever done that for me before. He didn't even judge me one bit. What he probably thought was a small gesture affected me greatly.

“ I had the good fortune of knowing Alex and working with him over the past year. I loved his smile and he reminded me of some displaced California, surfer boy...working in the heart of the Midwest. With coffee cup in hand and his mind revving at 95 mph, he was always throwing out ideas on how to offer 'the world' to our customers.

I'm going to miss that. - Dave Jones
