“ I am the sister to Alfie's late wife, Celeste. I watched for years as Alfie lovingly took care of a wife he adored through an extraordinarily difficult illness. He showed a strength of body, mind, and soul while keeping his own sense of identify. I will be grateful to him forever for this care he showed my loved one. He was indeed an extraordinary human being. He is now with Celeste for eternity, which I know he was looking forward to.. Farewell brother in law. See you soon.
