“ Our dear Alice was a fierce competitor on the tennis court. Over the years, she and our group of friends played many matches. One knew you had strength on your side when Alice was your partner! She was a fine lady and friend.
Love, JB

“ Dave & Cheri, Keeter and I send you and family our prayers and love at this most difficult time. I never met your mother but from reading the obituary I can tell she was a wonderful woman who loved her family. All the best to the Hood family. As I look at her picture, I can see your brother Bob's smile just as he did after making a birdie.
