“ *Mrs. Hulce was my music teacher at PS 57. We adored her and her love of music. She alone introduced us to classical music and I will always remember her for sharing her love with us.*

“ *She was a lovely lady and a very special grade school music teacher. At school 57 we always enjoyed being part of her triple trio group and she made us feel very special whether we hit the notes or not. Always a smile and a friendly 'hello' in church. Thank you for our memories from music class. Janet Hunt Wilzbacher*

“ *I remember so many things about Aunt Alice. She brought me a Spanish doll after visiting Spain. She made my cousin and I "mu-mu's!" She was very quick witted and had a sense of humor. She was a great cook---I still have some of her recipes! When her sister (my mother) was in the hospital for cancer, she was right beside her as she went into the surgery room. I also remember her black cat, Gato! So many memories...Where does the time go? <3*
