Tribute Wall

“ It was written: *"Memories continue to linger on about days long past Peering at many reflections in an old looking glass."* So it is of past times with Alice, Jim, Richard and so many, many others who opted for service to others.

It always need be said as well: "Out of sight is not out of mind." The memories are still there for those who shared those days.

This is my salute and prayer for Alice: "Eternal Rest, grant unto Alice L Parnell, Oh Lord, and let perpetual light shine upon her. May the souls of the faithful departed, through the mercy of God, rest in peace. ~AMEN ~"

“ I considered Alice as my second mom when I was growing up. I have been friends with Terrie and Brenda since I was 6 years old. We lived a block apart and shared the same numeric address. 3626. We cut through the poor neighbor's yard and hopped their fence multiple times a day to get to each other's houses. The neighbors never seemed to mind. I always felt very welcome and loved in their home. Terrie, Brenda and I were inseparable and I spent many fun overnights with them, often Saturday and Sunday. Alice always cooked a big breakfast on Saturday which was delicious. I loved being a part of their family!

They moved from Eagledale to the east side when I was a freshman in high school. Terrie, Brenda and I continued to have our overnights as often as possible and have remained dear friends ever since.

I have always admired Alice for her outspoken personality. I remember when she became a police woman for IPD and how awesome that was. She was always so kind to me.

My husband and I were fortunate to have her visit us a few times in our home in the country in the recent years. We even took her for a ride on our off road vehicle all around our hilly property, which she really enjoyed at the young age of 81.

Alice loved God and shared her faith with unbelievers. I witnessed this more than once with someone who was at my house visiting while she was there.

Alice was a beautiful woman in every way.

I will miss her very much.
