“ Today May 9, 2024 Allan (Mr Litz) suddenly popped into my head. I thought of him occasionally over the past 60 years, however this time my curiosity got the best of me so I decided to do an internet search and to my surprise found his obituary. Mr Litz was my grade school teacher at St Peters Lutheran School. One thing I remember is he was an Air Force pilot which was a dream of mine in those days. I wasn't able to follow in his foot steps as a military pilot but I did join the Marine Corps and subsequently retired. Coincidentally Mr Litz is buried near my Dad, Albert Uebelhack. I had a healthy respect for Mr Litz and I appreciate the impact he had on my life and will never forget him. May God grant all of his family peace and comfort. Sincerely, Jon Uebelhack

“ *Pam and I deeply love both Alan and Nancy, and we know this transition brings some great joy being in Christ presence, while it is agonizing as a transition to not hear his fun sense of humor and assessments about life! He was a deeply intentional Christian brother, who practically impacted the lives of others. We love you, Nancy! We are so sorry not to be able to give you a hug, but this is a virtual one from Florida!*
