“*No more pain, no more sorrow,  
For you and God in eternal bond,  
Now together in Loving Oneness,  
Forever dancing, You and Don...”*

*I knew Ann and Don through St. Luke's Singles years ago and Indy Dancers. She was the kindest, caring, classy lady and of course, opinionated which we all loved. If there ever was a deserving person of peace and joy, it is Ann. I am so very Blessed to have share this part of her life...her dancing and finding love again with Don. I will always cherish wonderful, fun-loving memories with them. I will be praying for her loving children and family. I am so sorry for your loss...May you find comfort in the many wonderful, loving memories you have of Ann.*

*So Very Blessed,  
MJ*

“*We are so sorry for the loss of your Mom. She was a wonderful mother, strong, caring and committed to the well-being of her children and grandchildren. We met 45 years ago through the Orland Junior Women's Club. We shared so many good times with your Dad and Mom. We will always remember the fun-loving spirit of your Mom, her kindness, and interest in everyone she encountered. So many good memories remain in our hearts. We pray that the knowledge of your Mom in Christ's loving care will ease the sorrow you feel. She was a very special lady!*

“ *Well, once again, life is so surreal. Ann is gone? How can that be? Life and distance separated us, but the last times I saw Ann---Lisa's shower and wedding---it was like no time had passed. I count one of my greatest blessings as having had the Arnones as my next-door neighbors and Ann as my up-close-and-personal, next-door friend. There are many words to describe Ann: amazing wife, mother, and grandmother; the best cook ever; kind, fun, quick, strong, smart, and loyal; beautiful inside and out---and, now, heart-breaker, because a lot of hearts are breaking. My love, thoughts, and prayers are with all of you. Christine (Mrs. Yoelin)*

“ Ann was the most super, fun loving woman. From the moment I met her, I saw nothing but grace and love for her family and everyone she met. She was the best grandmother to all those children. She was always ecstatic to see us at one of Matthew's school functions and always went out of her way to say hello to us and our daughters. Our thoughts are with you during a difficult time and hope your memories of a blessed woman will provide you comfort. Godspeed, Ann. You are missed.

*Thank you Marty. Your words are very comforting. My mom loved talking with you and your family. She told me that you had a "warm heart" and I think that is what she was drawn to in addition to your sense of humor.*

*If you have any advise on how to deal with the hole in your heart that exists when you lose your mom please let me know.*

“ *My Mom was a very hard working, tough woman who took care of our family when our Father died. She loved babies, her Grandchildren, dancing and going on cruises. Great food was the center of her life, so it was extremely frustrating for her when she could not eat in her final days. She was also in so much pain. I am so glad that now she is with our heavenly Father, my Dad, her Mom and Don dancing and eating whatever she wants! She is also not in pain anymore. We love you Mom and will never forget you!! *Cyndi, this is such a beautiful video tribute to your mom :) I had checked for her obituary several times never finding it and assumed that you all held her services back in Illinois. This morning I felt compelled to look for it again and I was saddened to see that it was held here after all on the 23rd. I would have been there :( I keep thinking about you all often and know how difficult this has been. I enjoyed your mom so much; she was such a special lady who I enjoyed many conversations with over the years as she cared for Matt and Zach. She loved her family and her grandchildren so deeply. She was one of the most caring people I have ever met :) It is still hard to believe that she is gone as I was so used to her always being at your home; I still almost look for them sitting out there on the driveway with the boys :)  
Keeping you all in my thoughts and prayers. Please let me know if there is anything you need.

“ *Grandma was the best cook ever! No meal would be complete without numerous entrees, sides, and desserts. Mangia! She had the magic touch--I could never come close to replicating her recipes.*
