“ *Everyday I loved you more and more, so amazing and kind and genuine! You were the best grandma I could ever ask for, everything you did was amazing, you are my great grandma but to me you were the greatest, I was with you until the end as you held me tight as you told me everything would be alright, I'm missing you everyday and it never gets easier because I love you so much and I hope you are in a much better place where we can reconnect again one day*

*From your amazing daughter/great granddaughter  
P.s. I love you so much to the moon and back ☐*
