“ It is with heavy hearts that we send our thoughts and prayers to the Kings. We have been friends for fifty years and while Gus lived a long and blessed life, the news of his passing saddens us all. He will be missed as he takes his place next to the Lord.

“ "Gus" as he was known at the engineering group at Western Electric Shadeland Works was a member of my car pool in getting to and from work. We spend many hours over the years discussing various subjects of the years during our riding to work. He will be missed. Our condolences go out to his wife Susan upon the loss of a long time mate and friend. God's Blessings,

“ I am so sorry to hear of the death of Mr. King. The passing away of a loved one is always with much sorrow. May we have faith and confidence in the Bible's promise of a time when pain, sickness and death are a thing of the past (Revelation 21:3, 4). My condolences are with the family at this difficult time.
