“ *The mother memories that are closest to my heart are the small, gentle ones that I have carried over from the days of my childhood. They are not profound, but they have stayed with me through life. And when I am very old, they will still be near.*

“ *Mom,
You where always there for me in the best of times and the worst of times. You always put everyone before yourself. It's you're time now, free of all the pain and suffering. You're with Dad once again. So in your own words, I heard so many times, I say to you " now don't you worry yourself over me, I'll be just fine",
Love always Randy*
