

## Barbara Ann Fearnow

September 7, 1946 - April 20, 2023

Barbara Ann Fearnow passed away peacefully in the company of loved ones at 10:44 am April 20th, 2023. Barb was born to the late Josephine (Vawter) and Nathan Bewley on September 7th, 1946 in Logansport, Indiana. Barb was a gifted employee and child advocate with Washington Township Schools for over 30 years. She enjoyed baking and decorating cookies for any occasion, especially to send to her grandchildren and sharing a pint with friends. She was a long-time active member of the Eta Delta Chapter of Psi Iota Xi, which supported causes of Art, Music, Literature, Speech and Hearing. Her service to the chapter included President, Conductress, By-Laws Committee and actively supported the cheeseball project. Barb was also a member of the Omega Chapter of Delta Kappa Gamma Society, supporting current and future women educators and students. Barb and her husband Chuck were family members of Central Indiana Bicycling Association for 50 years. Their support of CIBA included editing the paper newsletter and producing the slide (and eventually video) show for the Hilly Hundred. Barb and Chuck could often be seen riding their tandem, and for a time with baby Jonathan on the back.

In every corner of her life Barb was the motivation and moral compass for those around her. We will all be a little lost without her.

Barb is survived by her husband of 54 years Chuck Fearnow; their son Jonathan Fearnow; grandchildren Hunter and Hazel Fearnow; daughter-in-law Emily Fearnow; nephew Tom Posz and niece Mindy Turpen. She preceded in

death by her sister Kay Ress (Bewley). Please consider donating to Barb's service sorority, Psi Iota Xi. Her sisters will use those donations to support the causes that Barb cared for most.

“ OH MY! I am so sad to hear of Barbara's death and send my condolences to Charles and others in the family. It was my pleasure and a blessing that I was able to reconnect and visit with her, her sister Kay and my Aunt Joesphine after quite a few years or us all traveling different directions. Those memories are very special for me. She was special, loved and will be missed by us all. William E bewley
