“ I am so sorry to hear of the death of Barbara. The passing away of a loved one is always with much sorrow. May we have faith and confidence in the Bible's promise of a time when pain, sickness and death are a thing of the past (Revelation 21:3, 4). My condolences are with the family at this difficult time.

“ Dear Gma,
I felt so honored when David asked if I had any Holy Water I could share with you..
Of course I did... My super special Holy Water that survived the fire...
So I sent it with David .. Knowing it's very special powers would work for you..!
I think it did.. I know using it brought you peace..
You are now an angle of the Lord free from the burden of cancer..
May you rest in peace and may perpetual light shine Upon you
??????????????

“ There are no proper words to express the sadness felt by so many at the loss of this remarkable woman. My Aunt Barb meant so much to so many that her absence in our lives will be overwhelmingly felt. I truly do not believe I have ever had the pleasure in my life to be blessed with a person like her, so full of love, generosity, kindness, and the pure joy of everyone around her. I pray that Don, Sue, Wendy, Kim , Julie, her grandchildren and greatchildren and all who loved her so deeply will find their comfort and strength in knowing she is at peace and is with our Heavenly Father. She handled her illness with so much grace and dignity right to the very end of her journey, I'm sure we will all learn a great deal from her. Jim and I are beyond heart broken that we will not be there to say our last goodbye and celebrate her amazing life, please Aunt Barb forgive us , we are so very very sorry for this. You will always be alive in my heart beautiful..... I Love You
