

Barkley

July 10, 2009 - July 9, 2022

Barkley, our company dog, passed away on July 9th, 1 day shy of his 13th birthday. While not an official “grief canine”, he was a handsome yellow lab who brought comfort to countless people and became a friend of everyone who met him. Known for his calm demeanor, insatiable appetite for treats of all kinds, and unparalleled loyalty, Barkley is already deeply missed by all.

His family, friends, and staff at Shirley Brothers were fortunate to have known and loved him, and he leaves a lasting legacy and pawprint in our hearts.

“ Oh dear, Barkley ~ your peaceful and loving demeanor will be missed. I'll remember your generous morning greetings at the back door, occassional mid-day walks, your concerned strolls through the chapels ensuring all was okay; and of course being front & center in all things related to 'treats'. Barkley was so loved.
