“ *Bernie was a kind, generous man. My only connection was at Horatio Alger Society conventions. Some of us went book hunting in New Hampshire. Marcy, i remember your interest in 'patient cups' (I have several). My sympathy to you and your family. Bernie will be missed.*

“ *I'm so sorry for your loss of Bernie, a dear friend from AT&T/Western Electric. Besides sending out news of our friends from the past, I always enjoyed his "extra" emails, which were sometimes inspiring, sometimes funny. He will definitely be missed, as I'm sure you all realize, but we know for sure that we will see him again!!!!*
