“ I had the privilege of working with Bernie at Anthem BCBS for a number of years, and enjoyed his personality and sense of humor so much! He was a great advocate for the members and for his accounts. So glad to have known him and shared our faith in Jesus Christ. May God bless his sweet family and friends with comfort and strength at this difficult time.

“ One of the most genuine, kind, funniest, sweetest people ever. We love you Billy. Every single time we would get together with Billy and Sarah, the humor was off the charts and it was the best time ever. Billy, you will be deeply missed.

“ Remembering my Precious Adopted son! Billy has called me mom for the last 30 years! He spent so much time at our home! Spending more time with my daughter, Susanne Trotter and her husband, Stephen Trotter than I can even remember. We loved Billy so dearly and while our hearts are broken, it is such a comfort to know he is resting in Jesus today ❤️
No more suffering sweet son!
We will meet again in Jesus time ❤️

“ Oh how well I remember those early days of Billy as a little boy. He and his sister came to stay a while with their dad in the summer, and we became neighbors. He and our sons would play together every day and then he became a grown man and we still loved him. Our hearts were very saddened by his passing. Our prayers are with the family. May the Lord give you strength & comfort.

“ I loved watching Billy and Sarah interact together with so much love for each other! Billy was funny, and witty! Billy was a Godly man, and who loved his family so much!
Before Billy and Sarah were married, he said, “I can’t get the word “Married” to come out.” Billy was a lot of fun to be around!
