“I have many memories of this beautiful woman. I could not ask for a better, more loving mother-in-law. Mom would make me laugh and also cry, she would talk about her growing up and how poor they were, but she would always say "what a great life" she had. She loved everyone no matter what. She never worried about herself....it was everyone else she worried about! She had the biggest heart. I will miss you so much mom, thanks for loving me and for the talks we had,
Till we meet again
