“ *The tide recedes but leaves behind
bright seashells on the sand.
The sun goes down, but gentle
warmth still lingers on the land.
The music stops, and yet it echoes
on in sweet refrains.....
For every joy that passes,
something beautiful remains..... Anonymous*

My dear & precious friend Betty: You, your laughter and countless memories will always hold a special place in my heart. You did everything with the utmost courage and grace including your last good fight. I'm certain your kind and gentle soul found her way home. Knowing that helps to ease the heartache I feel. You will always be deeply missed. May God bless you and keep you until we meet again!

May His light, peace and strength be with Kris, David, the girls and others in the family at this sad time!

*With love,
Jodi, Doug and the boys*
