“ I’m so sorry for your loss. Betts was one of a kind. She really loved her family. She talked about all of you and loved each and every one of you. Betts was such a good friend to me. We had so many good chats and laughs during our exercise sessions. I will treasure these memories. I’ll never forget her smile when I walked into the room. She would say “Is that you Des?” Then she would get right out of bed and we would get to work. She would always remind me to make sure I tell my Mom that she truly does love my real name not to her I’ll always be Des. Lol. Rest In Peace Betts. Love,
Melinda Werner
