“ I had the pleasure of being Betty’s dentist over the past 3.5 years. I always looked forward to my visits to Allisonville Meadows. I knew that I would get a few moments with Betty. I remember when Betty flushed her teeth. She was graciously upset and would laugh at the memory. She kept beautiful flower arrangements in the dining hall on the tables at first, then the patio garden. She had a way with flowers. She would share stories of her life and she had a gentle way of showing her love for her family. They were most important to her. I had the good fortune to have had Betty make a Continental Tire video with me. She was just fun, delightful and caring. I am going to miss her deeply. I am sorry for your loss. She leaves a very big hole. ❤️❤️❤️
