“ *Betty was such a "class act". I don't think I ever saw her when she wasn't dressed to the "nines" with perfect hair and make-up. A loving lady who really cared about ALL OF US. Your love for your grandchildren and great grandchildren really showed through! You will be greatly missed by all of us. RIP Betty... you will always be remembered.*

“ *Betty and I go back to grade school together. We both attended Walnut Grove - a 2-room school in Jackson County, IN.. She was my heart-throb when we were in the 7th and 8th grades. I recall going to the Shank's house to play checkers with her. Our teacher, Joe Goens, took the 8th grade class on field trips. One such trip was to Spring Mill State Park. Betty and I very daringly held hands when no one was looking!*

*Avis Maschino was a classmate of ours and a friend of mine. One night our school had a box social. Of course, I wanted Betty's box - but Avis out bid me! This was a portent of things to come. Even though Betty and I didn't date in high school, we remained friends. My wife to be was from Indianapolis. When we started dating, we went to visit Avis and Betty - they were the only people I knew in town! As it happened, my wife and I continued these visits over the years when we came back to Indiana. Fortunately, one of these visits was a short time before Avis died.*

*Yes, we will miss our visits (and long telephone conversations) with Betty. However, we know she is re-united with Avis.*

*The Rev. Lloyd Howard*

“ We are all blessed for having had Betty in our lives. I was fortunate to share years in school and First Baptist Church in Seymour, when we were especially close, with many "overnights" either at my home in town or hers with the Shanks in the country. She helped me survive high school geometry! and always had a smile and a friendly word. For a time after our marriages, we both lived in Seymour and though our paths eventually separated, we maintained contact - I will miss her. Carol Clause Wait, 4930 E. U. S. Hwy 50, Seymour
