“ I did not know Betty well, but I always remember how sweet and kind she was each time I saw her. I was sad to hear the news of her passing. I have known her son Norman, daughter-in-law Martha, and granddaughter Sarah almost all my life. I always think of them as family, therefore that makes Betty family too. I know how much she meant to those who knew and loved her, and how much she'll be missed. I wish I could be with the family at this time. They have always been there for the Lewis family in our times of need. John and I are thinking of you, and you are in our prayers.
