“ Norma, Becky and Carolyn, I loved your mom like she was mine, she always had me laughing at something that one of you girls would do. She was a good friend, and a very special person. She would sit and listen to me and we would share family issues and come out laughing, but their were times that things would be serious and we would sit and cry. But I know that she loved each one you girls. I also know that she would want you all to go on with your life and remember her laughing, loving you, and also loving her grandchildren and great-grandchildren. She is up in heaven, watching on each one of you, and will always be in your heart. Always look in the night sky at night and say I LOVE YOU MOM, she hear you, because I know for the last 30 some years my mom has always hear me. Love you girls

“ To my momma, I loved you more than words could ever say. You were my momma and my best friend. Your words were to me, you stick with me and I stick with you till the end. That's what I did mom. I did everything for you. A million times I've needed you, A million times I've cried, If love alone could have saved you, You never would have died. In life I loved you dearly, In death I love you still. In my heart you hold a place, No one else can ever fill. It broke my heart to lose you, But you didn't go alone, Part of me went with you, The day God took you home. I love you Momma, your baby Norma Jean

“ Sissy,

That's what I called you when I was a little girl. I love you, and I will miss you so much. I will miss all those times we laughed together the times spent together. The memories that we shared not long ago, I will hold on to. Life is never going to be the same without you. To give you up is so hard, but to know I will see you again some day in Heaven. There's no tears in Heaven

Love you your sister,

Joyce

“ Betty,

God, has answered your prayers,, and healed your broken heart.

Proverbs 23:26

*Your love, laughter, the memory of so many funny times we shared will never be forgotten. You gave so generously of yourself, and everything you owned to everyone. Thank you for your loyalty, for always standing by me and being the kind person whom I as well others could rely on. You were and always will be my best friend and my sister. . I just wish we could have had many more years together. I know you are at home with Jesus, I will miss you but, I will see you again one day. I always knew you loved me with out you saying a word,by the look in your eyes, the smile on your face, the hugs you always gave me. God, has kept good records of all the loving things that you have done for everyone. Your rewards in Heaven will be GREAT! I have been blessed to have you as my sister. I could have looked the world over and never found a better one. I choose you! FOREVER! The first prayer Mother, taught us as children was the 23rd Psalm. Rest!
My love, forever, your Sister, Jo Ann :*

“ Aunt Betty,

You were always there if I needed advice, and you always told me a lot of your funny stories. I love you very much, and always will. You always reminded me of my Grandma. Someday, I'll meet you in Heaven!

“ My Aunt Betty

She was one of kind, and so special to me! Life was never dull being around her. She always made me laugh. I will always have so many memories of her. I love her so much, and she loved me!! We bonded from as far back as I can remember. She spoiled me rotten when I was little. She reminded me of Grandma, in her looks and her heart. Like Grandma, I will think of her often and miss hugging and kissing her. She's finally Home!! She's at peace now! Like the picture, she was beautiful!! She asked to go home to Glory and to see the Light You're there now Aunt Betty!!

*Love You Forever,
Your "Baby Doll", Deborah Lou, Your Niece, Debbie*
