# Tribute Wall

“ I remember my Aunt Betty being so caring and a very thoughtful of everyone.....She will always be very special to me when my mom passed away ,her older sister ,Aunt Betty stepped right up to be supportive through all of my grief I was going through....I know there were times we did not agree but we would try to change the subject.....I will not forget the many holidays we shared and her favorite game of Chicken Leg.....Aunt Betty always took playing games very serious cause we all like to win the game.....and we always played by the rules even with Uno.....I will say some of my baking came from Aunt Betty....She was the one to give me my starter for the Amish Friendship Bread...It is a 30 day fermented bread.....To this day I still make this bread.....I feel comfort for Aunt Betty she is receiving her rewards that she work hard for our Lord Jesus Christ.....There is a big reunion in heaven with Mom and Aunt Betty .....They loved each other so much.....I know God is saying come on through these gates my faithful servant !!....."Job well done my faithful servant".....
