“ Beverly was not only Gene's "big sis", but ALL of us teenagers in the neighborhood claimed her as well. She looked after all of us and gave many "words of wisdom" ! We all were about 15 or 16 at the time, I'm not sure. I just remember how much fun she was and how she really UNDERSTOOD us...She and Charlie were just such a perfect couple, and we all loved both of them...They were a joy to be around. Beverly and I ran into each other a couple of years ago at Walmart and talked for about a half hour or more. Haha.. I certainly didn't know it would be the last time I would see her. I am so sorry for your loss...and please know that her family is in my thoughts and prayers....She was a special light in this world, I will not forget her. I'm sorry I couldn't attend her Memorial Service for health reasons. Sincerely,  
Jean Anne and Jim Curtis
