“ *My heart was so sad to hear today of your passing. I loved you so much and you were always so kind and loving to me. I felt a connection to you I would smile so big when I saw you. The last time was in Target with Angie. I was working. No matter how many years had gone by you always treated me the same way and I never had to guess if you liked me or not. I'm praying for healing for your family. Your loss will be felt greatly. See you again one day have fun up there💕*
