“ My Grandma ❤️ I will always remember her like this picture, she was always smiling, she loved her family and was always thinking about all of us. I will cherish all the memories of her, growing up down the street from her I would visit her a lot, I remember staying the night with her and my grandpa and she always slept in the living room with me, she would make me hot tea in the morning and even the treat of chocolate gravy!! One day I asked her to teach me how to make a pie, WOW by the time it was done I was amazed with her, everything was from scratch, it exhausted me!!! So many memories I will one day be able to tell my grandchildren about .

“ Linda, I will never forget the time that you and your mom came to Florida and visited us. We sure did have a good time and especially lunch at the restaurant on the water.
