“ *Brenda Kay Carter was one of the strongest woman I have ever known. When Dave passed I thought she would crumble without him but she became even stronger, more loving and the best friend anyone could ask for. She was all that and much more than I could ever say. My heart breaks at the loss I feel, she will be missed and loved until we meet in heaven some day and yes I'm sure Dave is pestering her as he always did. He too is missed and loved. Brenda's family has treated me as a friend and I thank them for their love and kindness. Such a loss, such a true friend and as we always ended our talks I will say I love you Brenda more than words can ever express. From your friend Sharon Willis*
