“ R.I.P. my dear friend. The many memories we have made. I will treasure each and every one of them. So glad I saw you last week had I known it would be the last I would have kept you with me. I will miss our morning talks over the phone as we had our coffee. How you would always keep me grounded when I thought I couldn't take lives problems anymore. How we made fun of Lisa's dog Harry ( sorry Lisa. lol). I have so many more things I just cannot list them all. I have a hole in my life I already miss you so much. Rest easy my dear friend you are missed. Your friend and partner in crime, Debbie.
