“ Brenda is and always will be in my heart, my little sissy. Just the two of us! We were best friends, only 14 months apart! I've so many memories from little girls to teenagers, to married adults, having babies, sharing in the delights of being a mom! We've shared secrets (no I'll never tell) talks, just enjoying being sisters! I miss her and always will miss my little sissy and one day God will call me home and we can run and again enjoy each other. Goodbye sissy for now!
