“ I had the privilege of being Brenda’s hairstylist for about 30 years. She shared all of her life’s ups and downs so freely. She absolutely could not have been more proud of her daughter and all of her accomplishments. She was the most pleased with what a kind and beautiful hearted young lady she has become. Her love for Ron was so apparent. You could tell she has felt so blessed to have him in her life. She never ever had anything but good things to say about him. She struggled to leave them both but tried so hard to prepare for them to carry on in a positive way without her here. But you see, this was Brenda, ALWAYS trying her best to take care of everyone else. She was thoughtful, kind, positive, selfless, breath of fresh air, always smiling and full of faith and hope. She loved her Mom, Dad and siblings so much. I always love hearing her share about taking her mom to bingo or how beautifully her Mom cared for her Dad through his illness. God has blessed us to know this beautiful soul and now she is rejoicing in His presence. I look forward to the day to see her in heaven and give her the biggest hug. Until then I rejoice in Jesus Christ for the hope and future he has prepared for those who love Him. Prayers and Love, Jill Franklin

I just wanted to let you know Judy and I are thinking about you and praying for you and your family. I cannot imagine the pain you are going through right now. It will be a long time of healing but just know you have alot of friends that really care and will be praying for you. Please call if you just need to talk or let us know if there is anything we can do.
