Tribute Wall

“*Brian, my beautiful blonde haired blue eyed nephew. Watching you grow up I have always been proud to say I was your aunt. I always admired your dedication and work ethic. The summer jobs during high school then off to Purdue. I so enjoyed listening to you interact with your cousins trading college stories at all those family get togethers. I loved your sense of humor and your laugh. You could light up any room with your charm and good looks. I admired how you would step up to help those in need, your dedication to family and friends. We were all blessed to have known and loved you. I have so many heartfelt memories of you as a little boy and just watching you blossom into the strong courageous man you became. I know God needed some help up there in the Heavens. Someone who was as dedicated and hard working as you. I know you are busier than ever now with Him. As Paul says in 2Timothy 4,6-7 For I am now ready to be offered, and the time of my departure is at hand. I have fought a good fight, I have finished my course, I have kept the faith... Yes Brian, you did that and more. I have loved you and I always will my blonde haired blue eyed boy.*”
