“ I loved Keith and I miss him more than words can describe. I saw him daily for 30 years. He was my friend, my employee and always the first one to volunteer to help with anything I needed. His passing has not only taken a big part of me with him, it has left me deeply and profoundly sad. My life, and the lives of us that knew, worked and loved him has been forever changed. Nothing will be the same again.

“ Hugs to the family and to all who crossed Keith’s path. So sorry for your loss.

*If you know, you know, he was a piece of work, but he was “our” piece of work. Never met a stranger. That smile!! I’m sure gonna miss that smile. Gone too soon, forever missed, and forever in my heart. 💕💕*
