“ Bruce, you will be missed by all! I have stopped and checked on you for the last year! What will I do with myself now? I know you were tired and ready to go but we weren't ready for you to check out so soon! I checked on you (July 7) before I left to go out of state, I told you I would be gone for a month and I would see you when I got back. We all gave memories of laughing with you you laugh and smile will be missed! Love you my friend
