“ *Byron Ford was a man of many talents. He excelled in sports and managed his academics with ease. Our favorite characteristic was his genuine sense of humor that immediately put new and old friends at ease, and created many good friends for life. Good humor and curiosity were his guide. We will miss him. Vicki and Si Ford*

By Ford was my hockey coach at Rye for my junior and senior years. He was a great coach and person. I loved playing got him. My best memory is my senior year- we were not a very talented team but he coached us to the league championship game- though we lost 3-2. I felt worse for him then me.

“ We first met Byron and Marilyn when they arrived at our Vi Retirement home in Scottsdale. We especially enjoyed Byron's friendliness, his stories and that bright smile. He was a good husband very supportive of Marilyn's musical work and her many activities here at Vi. Byron was a a gift to us all.
