“ Was thinking about Carl today as I painted some motorcycle parts at commercial finishing.  
Reminiscend of him other roger.  
I can see him not chewing that tobacco with his big eyes n a smile.  
Live to old man. Hope to see u in Heaven

“ Carl and Family, Again I am sorry for your loss. It is hard losing a parent. God can comfort you through all of your sorrow. I'm sure you will cherish all of your memories. The funeral was very nice and it was good seeing all of you. I wish it could have been under different circumstances. Love and prayers to all of you!

“ So very sorry for the loss of your dad Carl. We are saddened that we can't be there with you today. I myself have some great memories of Uncle Carl sitting around playing hs guitar with a cigar not far away. May God be with you in your time of sorrow. We love you.
