“ Carl was a close friend and companion to my wife Susan and I for more than 20 years. Along with Bernie, we spent many hours together playing duplicate bridge in Indianapolis and attending several tournaments around the Midwest. A possible record event was all four of us achieving Life Master status on the same day, in the same ACBL regional, and together as a pairs team.

The Raymanns and we often met for lunch throughout the past decade in Indianapolis. Carl was forever the calm, compassionate gentleman to all who came in touch with him. He will be long remembered and for his contributions in word and spirit.

Godspeed, Carl.
