“ Sorry to hear of your loss Nelda. I will always remember the times that Maurice and I use to fly kites out behind his house in Grandpa Neely's pasture. wlm

“ Nelda & Family, I was sorry to learn of the loss of Maurice. He was one of the truly nice guys, I have known both of you since 1945. I enjoyed playing baseball and basketball with Him. We extend our Sympathy. Ross and Lila Whitford

“ With much love and thanks for Maury, The elders at East 91st Street Christian Church. Revelation 7:15-17 “Therefore they are before the throne of God and serve him day and night in his temple;and he who sits on the throne will shelter them with his presence. They shall hunger no more, neither thirst anymore; the sun shall not strike them, nor any scorching heat. For the Lamb in the midst of the throne will be their shepherd, and he will guide them to springs of living water, and God will wipe away every tear from their eyes.” Matthew 25:21 His master said to him, ‘Well done, good and faithful servant. you have been faithful over a little; I will set you over much. Enter into the joy of your master.’

“Gosh, I haven't seen or spoken with Maury in a long time. He was a great guy who I worked with on and off at Eli Lilly & Co. - especially in my early years with the design and construction engineering group. Although I didn't see him very much in our later career years because I had moved away from the old engineering group I always remembered his smile and relaxed way of approaching work related problems and challenges. He was a good influence on his compatriots and newer arrivals so his influence carried on through the years. Maury was one of those "great guys."

“Our thoughts and prayers are with you and your family. Mom and I said today that my Grandpa Paul was there to meet Maurice. Nelda, Mom and I will come to see you in about a month when we have my dad all settled in. I am going to look into flying on Southwest.

“ What a wonderful man and Christian. Thank you LORD for his testimony thru his life and the memories we have of him. I remember the days at MULBERRY Grove high and his talent in baseball and basketball.
