“ From Carol 1 to the family of Carol 2: I send my & Jeff Murray’s Sincere Sympathy to You & Yours. Carol & I were fellow Riley Wrangler’s. As I had preceded Carol as a Wrangler, that’s where the 1 & 2 came from. We also shared a liking for the Nerds candy. Carol will be missed by all that knew her

“ I am so very sorry that we lost Carol so early in life. I will miss her contagious laughter and lending an ear and support over the years. I loved her love for her RV and square dancing and still can't believe we're never going to have that chance for margaritas again. Sending light and love to you all.

“ I am Carol's aunt by marriage—she was a darling little girl who grew into a lovely adult, who was loving, smart, and ambitious. Luckily, her uncle Ken and I just recently got to spend a delightful afternoon with her in New Albany, IN going over family ancestry. How blessed we were to have that special time with her. She will be greatly missed..
