I was so happy I was able to watch Caroline's home going service live streamed. Such a beautiful service for a precious lady! It brought tears and laughter to me. The music was beautiful, the words sharing precious memories of Caroline were perfect and the presence of the Lord was so real and calming. I'm so happy we were able to share a small part of her life when she lived with us. I loved Caroline and will miss calls from her reminiscing old times. I know how much she loved you and John! She was so proud of both of you. My heart aches for your loss. Praying for God's comfort for you, John, family and friends. Thankful for your life time of precious memories! ❤️🙏

“ *I remember how much of an encouragement Sis. Carol Sleeva was to me, she had always encouraged me to keep trying in all that I did...including training both myself and some of my friends to help her clean up Calvary Tabernacle's sanctuary when it was still green...and to help keep it green by picking up garbage after church...in addition to helping me, I am thankful that when times were rough she would also take time to help my mom and made time during 2020 to specifically call us and see how we were doing.*

“ *My sweet Carol! Carol was a kind, faithful, friend and confidant to my mother, Doris Liford. They worked together, cooked together, and played together. Carol was so faithful to keep mom busy with different games; good natured cheating or not; a dinner companion and Christian through it all. Carol was also my dear, precious friend, and I love her so much. Carol attended many of our family functions - we considered her part of us. I thank her children for sharing this precious lady.*

Sympathies and prayers to the entire family.
