“ *What a great loss our family has suffered with Aunt Carolyn's passing. I remember how my mother always told us that she was so generous, she would give you the shirt off her back if you needed it I remember her kind, generous and warm character in that way. I remember the holidays at Grandma's tiny house in Westfield with Grandma and the three sisters cooking, talking and laughing. What cherished times those remain in my memory. I picture them all reunited together in heaven, the McFarin sisters chatting and laughing together once again.*
