“Cousin Carolyn and her mother and brother were the first of my relatives to come visit me after I moved to Indpls. to live with my Aunt Alma Rhea and Uncle Johnny. They took me to church with them, and we had a wonderful time. Carolyn stayed all night with me, and it was as though we had known each other all our lives!! After she got married we lost touch for many years, but I'm so glad we reconnected several years ago!! I know I'm going to miss her, but she's just skipped ahead of me a little bit, and someday we will meet up again, on heaven's bright shore!!! So long sweet cousin!!! Love forever ❤️

“My mom has shared several fond stories with me of she and Carol's friendship from over the years going back to when they were in elementary school. I'm thankful for their friendship as it lead me to meet you, Angie. Praying for comfort and strength for you and your girls. Rest in peace, Carol.

DS

So very sorry for your loss Angie. Your mother made the wedding veils at my daughter's wedding back in 1996. We will always remember her doing that. She was a kind, sweet and loving person. Praying for comfort and strength for you and your family.

LS

I worked with Carolyn for 15 years. If I put my memory of her into one word it would be GIVING. She gave so much and helped so many people.
